

CREATIVE VISION

I'm very passionate graphic designer striving to make a difference in the marketing industry. I believe that great design encompasses personality, shows heart and evokes any form of emotion.

RECENT JOB HISTORY

Web Designer at **Q2eBanking** - May 2016 - Present

- I design responsive websites, and mobility graphics for Small Credit Unions and Banks across the United States.
- I also assist with designing themes for our banking software, and making sure all work is WCAG 2.0 Compliant.

Web Designer at **Designzillas** - July 2015 - April 2016

- I designed responsive websites, sitemaps, wireframes, user experience strategies for wordpress and drupal content management systems for a variety of clients. I also help in the quality control before launches.

Web Designer at **TravelClick** - November 2012 - July 2015

- I designed desktop/mobile/responsive websites and remarketing banners for hotels and restaurants.
- I assisted with cross-browser compatibility, and quality control of design work before launching websites.
